## State of Vermont Executive Department A Proclamation

WHEREAS, as many as 32 million Americans have food allergies; nearly 6

million are children under the age of 18; and

**WHEREAS,** research shows that the prevalence of food allergy is increasing

among children; and

**WHEREAS,** nine foods cause the majority of all food allergy reactions in the

United States: shellfish, fish, milk, eggs, tree nuts, peanuts, soy, wheat and sesame. Symptoms of a food allergy reaction can range

from mild to severe, such as anaphylaxis; and

**WHEREAS**, anaphylaxis is a serious allergic reaction that is rapid in onset and

may cause death; and

**WHEREAS,** food allergy results in more than 200,000 United States emergency

room visits each year. Reactions typically occur when an individual unknowingly eats a food containing an ingredient to which they are

allergic; and

**WHEREAS**, the number of food allergy reactions requiring emergency treatment

is up sharply over the past decade, with a 377 percent rise in insurance claim lines with diagnoses of anaphylactic food reactions

between 2007 and 2016; and

**WHEREAS,** FARE (Food Allergy Research & Education) is a national, nonprofit

organization dedicated to improving the quality of life and the health of individuals with food allergies, and to providing them hope

through the promise of new treatments.

**NOW, THEREFORE,** I, Philip B. Scott, Governor, hereby proclaim May 9-15, 2021 as

## FOOD ALLERGY AWARENESS WEEK

in Vermont.

Given under my hand and the Great Seal of the State of Vermont on this 4th day of May, A.D. 2021.
