

**State of Vermont
Executive Department
A Proclamation**

WHEREAS, reinforced concrete pipe and precast products provide solutions needed for resilient infrastructure, and are of vital importance to sustainable communities and to the health, safety and wellbeing of the people of Vermont; and

WHEREAS, such reinforced concrete pipe and precast products and services could not be provided without the dedicated efforts of the concrete pipe and precast industry manufacturers, professionals, engineers, managers and employees, who are responsible for and must design, manufacture, distribute, educate and supply precast concrete pipe and precast to public and private owners, who build, design and maintain our transportation infrastructure, water supply, water treatment systems, solid waste systems, and other structures and facilities essential to serve Vermonters; and

WHEREAS, it is in the public interest for the citizens, civic leaders and children in the United States of America to gain knowledge of and to maintain a progressive interest and understand the importance of the reinforced concrete pipe and precast industry in their respective communities; and

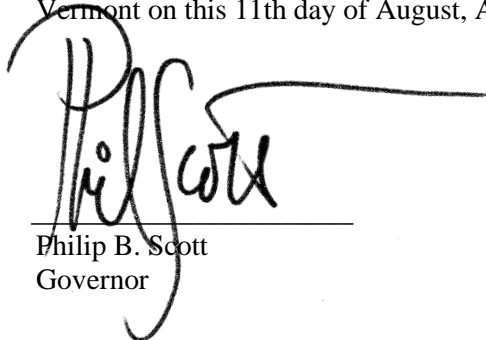

WHEREAS, the year 2021 marks the 107th year of the American Concrete Pipe Association and the 7th year of Concrete Pipe Week sponsored by the American Concrete Pipe Association.

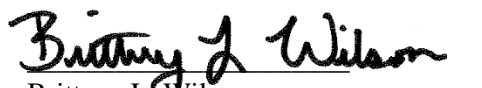

NOW, THEREFORE, I, Philip B. Scott, Governor, hereby proclaim August 15-21, 2021 as

**CONCRETE PIPE WEEK
in Vermont.**

Given under my hand and the Great Seal of the State of Vermont on this 11th day of August, A.D. 2021.

Philip B. Scott
