

**State of Vermont
Executive Department
A Proclamation**

WHEREAS, clean air is a vital and precious natural resource; and

WHEREAS, clean air contributes to the good health and well-being of all Vermonters; and

WHEREAS, protection and improvement of visibility at the state's scenic vistas benefits both residents and our tourist economy; and

WHEREAS, Vermonters are continuing to transition to cleaner sources of energy to reduce emissions; and

WHEREAS, Vermont recognizes the value of maintaining some of the nation's best air quality.

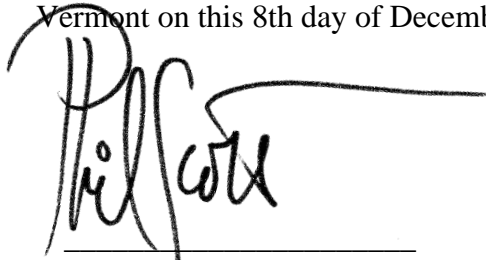

NOW, THEREFORE, I, Philip B. Scott, Governor, hereby proclaim December 13, 2021 as

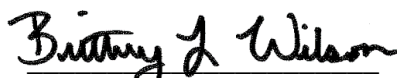

AIR QUALITY AWARENESS DAY

in Vermont.

Given under my hand and the Great Seal of the State of Vermont on this 8th day of December, A.D. 2021.

Philip B. Scott
