

State of Vermont
Executive Department
A Proclamation

WHEREAS, reinforced concrete pipe and precast concrete products are of vital importance to sustainable communities and to the health, safety and well-being of the people of Vermont; and

WHEREAS, such reinforced concrete pipe and precast concrete products and services could not be provided without the dedicated efforts of the concrete and precast concrete industry, the trucking industry, the sand and rock producers, the cement producers and employees, who are responsible for designing, manufacturing, distributing, educating and supplying reinforced concrete pipe and precast concrete products to the owners and contractors, who design, construct and maintain our transportation and storm drainage infrastructure, and our residential and commercial subdivisions, which are so essential to our citizens; and

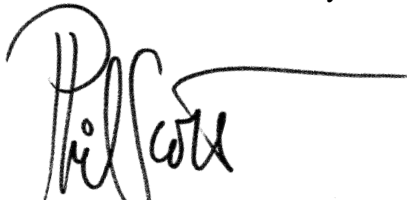

WHEREAS, it is in the public interest for the citizens, civic leaders and children in Vermont to gain knowledge of and to maintain a progressive interest and understand the importance of reinforced concrete pipe and precast concrete in their respective communities, that is made of all natural materials; rock, sand, water, and cement, which Vermont supplies; and

WHEREAS, the year 2023 marks the 116th year of the American Concrete Pipe Association, which began as a means of exchanging ideas and establishing a high quality, standardized product.

NOW, THEREFORE, I, Philip B. Scott, Governor, hereby proclaim September 24-30, 2023, as

CONCRETE PIPE WEEK
in Vermont.

Given under my hand and the Great Seal of the State of Vermont on this 22nd day of September, A.D. 2023.
