

State of Vermont
Executive Department
A Proclamation

WHEREAS, mental health includes our emotional, psychological, and social well-being; it affects how we think, feel, and act; it also affects how we handle stress, relate to others, and make choices; and

WHEREAS, mental health is foundational to our wellness, allows us to care for ourselves and others, and make valuable contributions to Vermont's communities; and

WHEREAS, in Vermont, 1 in 5 adults live with a mental health challenge; and

WHEREAS, 50% of all mental health disorders begin by age 14 and 75% of all mental health disorders begin by the mid-20's; and

WHEREAS, suicide is the second leading cause of death amongst people aged 25 – 34 and the 8th overall leading cause of death in Vermont; and

WHEREAS, a lack of mental health awareness leads to devastating impacts on the wellbeing of individuals and communities; and

WHEREAS, the COVID-19 pandemic has significantly contributed to mental health challenges in children, youth, adults and elders in Vermont; and

WHEREAS, the State of Vermont, health advocates, community partners, and legislators have collaborated to reduce stigma, and provide education and awareness of prevention, early intervention and treatment resources for mental health; and

WHEREAS, care providers have responded bravely and heroically to the increasing need for care.

NOW, THEREFORE, I, Philip B. Scott, Governor, hereby proclaim May 2022 as

MENTAL HEALTH AWARENESS MONTH
in Vermont.

Given under my hand and the Great Seal of the State of Vermont on this 29th day of April, A.D. 2022.

Philip B. Scott
Governor
